Happisoy Global is a global B2B supply platform specializing in wholesale and outsourcing services across lighting, consumer electronics, industrial hardware components, and authorized aviation parts.

We serve clients worldwide — including lighting distributors, retailers, home improvement chains, digital device dealers, e-commerce sellers, supermarkets, and public-private partnership (PPP) projects.

Global Sourcing, Smart Supply — our promise. By integrating cross-border supply chains and leveraging end-market demand, we help brands expand globally while delivering high-quality, cost-effective products to our customers.

Our goal is to become the go-to B2B platform for commercial, industrial, and individual buyers, offering one-stop procurement and customized wholesale solutions.

LED Lighting

Energy-efficient spotlights, track lights, crystal chandeliers, wall lamps, solar LED street lights, and more for home and business.

Consumer Electronics

Portable cameras, smart locks, laptops, e-readers, audio gear, humidifiers, power banks, and lifestyle gadgets.

Industrial Hardware

Reliable components for industrial applications, including redundant power supplies and hard drives.

Aviation Parts

Authorized aviation parts and navigation system components, including Local Control Panels.
